

Sewer Service Line Agreement for Two or More Buildings on a Shared Single Service Line

This Agreement is made this	day of	,between
-----------------------------	--------	----------

_____hereinafter referred to a Current Owner, of ______and the Buena Vista Sanitation District ("BVSD").

This agreement concerns the buildings located at ______ now owned by the Current Owner that are currently utilizing a single sewer service connection to the BVSD wastewater system for sewage disposal. In accordance with the request of the Current Owner, the BVSD agrees to permit the continued used of a single sewer service connection to the BVSD wastewater Management system under the terms and conditions of the Agreement. In the event that the property on which the referenced buildings are located is subdivided or the ownership changes to different parties than the Current Owner and each building with its associated land becomes separately owned, then each separately owned tract of land and building must have an independent and separate sewer connection in accordance with the Rules and Regulations of the BVSD.

The BVSD shall assume no responsibility nor acquire any liability for damage that may occur during any connection to its wastewater collection system. The BVSD shall assume no responsibility for the maintenance of any lateral service line. The Current Owner shall provide the District with the legal description of the property identified in the Agreement, so this Agreement can be recorded by the BVSD with the Chaffee County Clerk and Recorder and provide notice to other interested parties.
