## Tap Permit

### APPLICATION FOR PERMIT TO TAP SEWER LINE

THE UNDERSIGNED owner of the following described property hereby applies for a permit to tap the sewer line of the Buena Vista Sanitation District for the purposes shown below and, in connection therewith, agrees to be bound by and to comply with the rules, regulations and engineering standards of the District. The sewer tap, related hardware and service line extending from the property must be maintained at the owner's expense. The owner is liable for all damages caused by any leaks from said sewer tap, related hardware and service lines and indemnifies the District against any loss (including reasonable attorney's fees) caused by the owner's failure to satisfy such liability.

THE UNDERSIGNED agrees that the excavation will be left open until inspected and approved by the District and that Owner's contractor or excavator is named below. The undersigned must give the District forty-eight (48) hours advance notice for final inspection. The undersigned also acknowledges that he has been informed of the advisability of installing a flapper check valve in the connecting line at the location described on the sketch on the reverse side hereof.

THEUNDERSIGNED agrees that monthly billing commences when the tap permit application is paid.
